October 20, 2008, Cincinnati, Ohio – Patriot Services Corporation is pleased to announce that Scott A. Baker has been promoted to Director of Public Health and Emergency Management Programs. In his new role, Mr. Baker will oversee client services and business development programs for the company’s Public Health and Healthcare industry clients and traditional Emergency Management and Preparedness services projects.

Head of the company’s Cincinnati office, Mr. Baker brings nearly 18 years of personal and business experience from the public and private sectors. His significant history with public safety and public health organizations has provided Patriot Services with a significant competitive edge in addressing clients’ needs. As a result, the Public Health/Healthcare group has been one of Patriot Services’ fastest growing segments.

“Scott has played a major role in the dramatic growth of our business. He has been integral in driving new and existing Public Health client growth and in managing medical/health related programs for clients in other industries,” said Scott Hiipakka, Chief Service Officer. “This promotion is in recognition of his outstanding contribution to our company’s success.”

Patriot Services Corporation is a national provider of Homeland Security and Emergency Preparedness services with offices in Cincinnati, Ohio, Walled Lake, Michigan and Indianapolis, Indiana. A veteran-owned small business enterprise, the company is a national leader in comprehensive disaster and emergency preparedness solutions, including site, threat and vulnerability assessments; emergency plan development and review; training; and exercises. The company has received a number of awards, including being named one of the 2008 Michigan 50 Companies to Watch.
