Patriot Services Corporation hires Scott Baker, Project Consultant

Southfield, MI - Patriot Services Corporation is pleased to announce the addition of Scott Baker as Project Consultant. "We are very excited about the addition of Mr. Baker to the Patriot Services Corporation staff. His experience in the full range of our service offerings will contribute significantly to our reputation of providing senior, credentialed experts to our clients. Furthermore he will contribute significantly to our growth in Southern Ohio." said Stephen Potter, Founder and President of Patriot Services Corporation. Mr. Baker was formerly a Consultant with Critical Incident Solutions in Cincinnati, Ohio.

Mr. Baker is a member of the International Association of Emergency Managers [IAEM], a graduate of Thomas More College with a Bachelors Degree in Business Administration, and US Air Force Gulf War Veteran.

Patriot Services Corporation is a 100% veteran owned small business with offices throughout the Midwest and operations around the United States. The Company specializes in providing risk consulting, homeland security services, and preparedness solutions to private industry; schools; and local, state, and federal government clients throughout the United States of America.

Patriot Services Corporation has offices in Southfield, Michigan and Indianapolis, Indiana. For more information please visit www.patriot-services.com or call 248.436.8420.
