### **Patriot Services Corporation opens Indianapolis, Indiana Office**

As part of its continued growth and expansion, Patriot Services Corporation, a rapidly growing Midwestern based Homeland Security Services and Technology Company, has announced the opening of a new office in Indianapolis Indiana.

The new office address is:

Patriot Services Corporation  
8888 Keystone Crossing, Suite 1300  
Indianapolis, IN 46240

“This is a big step for Patriot Services Corporation in executing our growth strategy. We anticipate this step will lead to increased business growth in the region and also the hiring of additional full time employees in the region.” said Thomas Quisenberry, co-founder of Patriot Services Corporation.

The main focus for Patriot Services Corporation will be servicing the needs of State of Indiana, the Department of Homeland Security Urban Area Security Initiative (UASI) region as well as Public Health Agencies, Hospitals and other high risk private sector clients.

Patriot Services Corporation is a 100% veteran-owned small business located founded in Oakland County, Michigan in 2004. The company specializes in providing Risk Consulting, Emergency Preparedness, Homeland Security and Emergency Preparedness solutions to local and state government, private industry, schools, and federal government clients. Patriot Services Corporation currently has projects ongoing throughout the United States of America and in the US Virgin Islands.

The Company also provides online homeland security and emergency preparedness course scheduling through its [www.TRAIN-HS.com](http://www.TRAIN-HS.com) website. For more information please visit [www.patriot-services.com](http://www.patriot-services.com) or contact Patriot Services Corporation at (317) 581-8570.
